

Once logged in to LiveControl – Click on your name in the top right hand corner. Then select **Account Settings**:

Tick the box next to “Change Password” to enable the two password fields:

☒ Change password

Enter and confirm your new password.

Click on update to save.

You should remain logged in after the change and will need to use your new password next time you log in.

If you have any further queries or just need a helping hand with your account, send an email to **help@livebuzz.co.uk**
